FOR IMMEDIATE RELEASE

Results Announced for HK's Hospital Benefit Golf Tournament

OSAGE BEACH, Mo. —HK's Hospital Benefit Golf Tournament, benefiting Lake Regional Health System, concluded June 27 at The Cove Golf Course. The tournament featured Callaway gift cards awarded to the top four teams in each flight and closest-to-the-pin winners sponsored by Central Bank of Lake of the Ozarks. Golfers also had a chance to win hole-in-one prizes at four holes.

Reservations were limited to a morning shotgun start only. The first-place A-flight team, with a score of 57, included Justin Fraker, Dakota Prewitt and Lane Reppond. The first-place B-flight team, with a score of 63, included Manny Cervantes, Brian McGreevy, Brett McGreevy and Mike Simon. See complete tournament results.

Harold Koplak, founder of The Lodge of Four Seasons, established HK's Hospital Benefit Golf Tournament in 1978. Throughout its history, it has raised more than \$3 million for Lake Regional medical departments and the purchase of new medical equipment. This year, all proceeds benefit Lake Regional's Commitment to Caring Initiative.

"We are grateful to the generous support of our sponsors, donors, golfers and volunteers who made this event possible," said Trish Creach, Lake Regional executive director of Philanthropy. "Their support is advancing local health care."

Creach also thanked Peter Brown, event chair, and remembered Walter White, former honorary co-chair. Major sponsors of the tournament included Central Bank of Lake of the Ozarks; The Lodge of Four Seasons; and Troon Golf.
